

DYKE CHANTS

The women (lesbians), united, will never be defeated!
Mujeres, unidas, jamas seran vencidos.

What do we want? LESBIAN RIGHTS! When do want them? NOW!

We're here. We're queer. We're fabulous. Get used to it!

We're hip, we're sweet, Dykes have got the street.

Hey, hey, ho, ho. Dykes are coming, we're on the go.

Boys will be boys and they don't share. They'd rather build bombs than fund welfare.

Lez be proud. Lez be loud. We're 1 in 10 in every crowd.

2-4-6-8 We will decide our fate.

Look to your left, look to your right, Bet you'll see a dyke in sight.

Hey, hey, Ho, ho, Sexism has got to go. (Racism/Homophobia/Classism/Anti-semitism...)

Some with flat tops, some with pearls, We're angry women, we're riot grrrris,
Some with tattoos, some with bikes, We're strong and powerful, We're pissed-off dykes.

Ten percent is not enough, one is not the truth. So, come on, girls, let's get to work,
RECRUIT, RECRUIT, RECRUIT!

We're strong, we're beautiful, and we eat girls.

L-E-S-B-I-A-N, that is how you spell "passion".

Hi Dee Hi, Hey Dee Hey, Lesbians are here to stay.

Our bodies, our lives, our right to decide.

Not the church, not the state, marriage won't legitimate.

We're here, we're proud, and we're talkin' loud.

Celebrate. Demonstrate. Pride is political.

Queers unite, fight the right.

We're dykes, we're marching, we're not going shopping.

Bash patriarchy, love a woman.

Dyke, Queer, Gay. Don't like our style? Get out of our way.

Put the cunt back in country.

All of my friends are women,
And I love making love to my friends,
I've got to be free to be who I am--
A L-E-S-B-I-A-N.
It's clear, I'm queer,
I'm a homo-sexual,
And I know what I like.
And I'll be gay, gay, gay,
'til my dying day,
I'm a **D-Y-K-E, dyke!!!**
